Trails

Dona Eaton was in attendance for this meeting and walked the Board through the updates she made to the website. www.brookline.nh.us

Dona said she has added a walking guide with trail information and would like the Conservation Commission to review for accuracy. She would also like add more information for example where to park to access the trails, interesting features or facts of the trail, acres and purchase information, the length of the trail and how easy or tough the trail is. Any extra information would be welcomed. **Dona** said this is live on the website now. The Board thanked Dona for all the work she has done on this project.

Plowing Trail Head Parking Lots

The Board asked that Kristen Email the Road Agent give him the list of trail heads that should be plowed. They already plow a couple but they should add the Cider Mill Trailhead, the Conneck Road Trailhead parking, and Pope Road if they don't already plow it. Now that all these are listed online they should be maintained.

Wetlands and Soil Specialist

Brendan said he spoke with the Planning Board and explained that the BCC would have a Wetlands and Soil Scientist from Meridian Land Services in attendance to discuss the wetlands permits and what they should be looking for when reviewing plans. **Brendan** said he invited the Planning Board and announced that this is open to the public and anyone can attend.

Brookliner news

Jordan said she will be submitting an article in the Brookliner every other week when it comes out with updates on what the Conservation Commission will be doing or has been doing. If anyone has anything they think should be added or mentioned please let Jordan know.

Lake Host Program

Jay said they should get in contact with the Recreation Commission to see if they are really interested in helping run this program.

Non-Public Session

Brendan made a motion to go into non-public session to discuss possible land purchases under RSA 91-A: 3, II (d) and immediately adjourn. Evan seconded. Jay, Jordan, Evan, and Brendan all voted yes.
