

Rules and regulations for Band Events

Non-Members attending Venue:

We have changed the hours for the season to go from 11 AM - 7 PM so only Brookline members of the Grove can attend the concerts/ Events at the Grove. All current rules for the Grove will be enforced.

Parking

Only members with valid parking placards will be able to attend. Attendees will not be allowed to park outside of the fenced-in area when bands are playing. When the fenced area of the parking lot is full or the head count reaches 150 people, we will close the gate to indicate that the concert is at full capacity. A sign will also be placed on the gate indicating that it is full. All placards must be hung on the rear-view mirror. We will be setting up the staff the same way that we do from the 4th of July. Check-in will be up near the gate and one directing traffic on where to park and to back in. These concerts are at first come first serve based.

Noise

There is no noise ordinance in Brookline. The Brookline Police Department will go by state law in the disorderly conduct statute. You can read this by looking up [NH Rev Stat § 644:2 \(2015\)](#) Paragraph III
