BROOKLINE PLANNING BOARD

Proposed deleted items Proposed changes

Amendment No 6

Section 1800 – Driveway Ordinance

Delete the Driveway Permit Application from the Ordinance.

Reasoning: This application should be in the Regulations to make it easier to amend as needed and fees charged in accordance with Section 1808.01.

Recommended by the Planning Board.

TOWN OF BROOKLINE, NEW HAMPSHIRE DRIVEWAY PERMIT APPLICATION

Permit Number: Lot Number: Subdivision (if applicable): Owner (or applicant): Address of Applicant: Phone Number of Applicant: Phone Number of Applicant: 1) The driveway will be inspected by the Driveway Inspector, who will ensure that the driveway is in compliance with Section 7 of the Brookline Subdivision Regulations. 2) The fee for a driveway permit, as established by the Brookline Selectboard. I have submitted this fee. 3) Any necessary State permits such as Wetlands, Timber Cutting, and Curb Cut permits have already been obtained. Curb cuts need to be shown on the subdivision plans. 4) On any paved road, the driveway needs to be paved 15 feet from the edge of the road, or from the road to the property line, whichever distance is smaller, to encourage proper drainage and sedimentation & crosion control. This paving is required unless other specifications are made by the Department of Public Works Director as per Section 1800 of the Zoning Ordinance. 1 Have read and understand the above and Section 7 and Section 1800 (attached) which pertain to driveways. The driveway that I propose is in compliance with those regulations.	Applie	cation Date:
