Re: 2023 Life Safety Inspection

Dear Alicia,

On April 25, 2023, I conducted your annual Life and Fire Safety Inspection. At the time of my inspection I found the place to be in a neat and orderly fashion. I would like to personally thank you for walking me through the building and answering any questions that I may have had. The one and only thing that I noticed that needs to be addressed was:

1. The street address needs to be posted on the building.

As part of our departments continuing effort to drive down fires in the workplace, I have included an informational brochure about workplace safety and fire extinguishers. Should you have any questions or concerns, please don't hesitate to contact me at the firehouse.

Sincerely,

JP Royea
Lieutenant/Fire Inspector
Brookline Fire Department
