Subject: Welcome Letter for Work Request #10094609

Work Request
Submission

Work Request Type:
Install Permanent
Service - Underground

**Work Request
Number:**
10094609

Job Location:
8 POST OFFICE
DRIVE

Dear Valued Customer,

Thank you for your recent electric work request. We look forward to working with you on your new service connection or improvement project.

Please review the following information for accuracy and contact us by phone or email to update:

- * Request Type: Install Permanent Service - Underground
- * Request Number: 10094609
- * Work Requested Date: 2022-08-15
- * Job Location: 8 POST OFFICE DRIVE
- * Contractor Name:
- * Contractor Phone:

We'll need to closely collaborate with you and possibly the city or town where the work is being performed. Please note:

* Our [Electric Service Process and Responsibilities Guide](#) details this collaboration and how your request will be processed.

* By submitting this request, you acknowledge that under the terms of the company's Tariff for Electric Delivery Service you must comply with our [Requirements for Electric Service Connections](#) for the work to be performed.

If your project is complex, you may be contacted directly about any additional steps.

Log into your [Eversource.com](#) account to track the status of your request. For questions or to cancel your request, call or email us and we'll be happy to assist you.

Sincerely,
Eversource Electric Service Support Center.
