Plan Review**

Dear Ms. Decoteau:

We reviewed the revised seven-sheet plan set dated October 27, 2023, the Stormwater Management Report dated October 26, 2023, and the Stormwater Management Inspection and Maintenance Manual dated October 27, 2023 all prepared by Meridian Land Services, Inc. in accordance with our agreement with the Town. Based on that review, we find that all of our previous comments have been addressed and the project is acceptable from an engineering perspective.
