Non Public Session (3)
Monday, June 11, 2012

Selectmen Clarence Farwell, Darrell Philpot, Jack Flanagan, Karl Dowling and John Carr were present along with Town Administrator Tad Putney.

Transfer Station

Transfer Station Attendant **Maurice Marshall** submitted a written report that a woman reported that her purse was thrown into the cardboard recycling bin. The woman claimed that the purse was stolen. Maurice closed down the bin and used a long pole to uncover the box that she felt her purse was in. An attendant went into the bin to move boxes around but no purse was found. Her husband arrived and went into the bin but no purse was found. Maurice called the transporter to see if they could help when unloading the bin but he got a recording. The husband was given the transporters phone number. About 45 minutes later the police arrived to check on the progress. **Tad** will follow up with Chief Quigley. Minutes will be sealed.
