Brookline, New Hampshire 03033**

Minutes
Board of Fire Engineers
Tuesday, April 10, 2018

- The meeting was called to order at 7:00 pm.
- Board of Fire Engineers members Dave Flannery and Dave Joki were present, as well as Finance Committee members Linda Chomiak, Brain Rater and Steve Russo. Chief Corey was present. Dave Santuccio was absent.
- The Finance Committee came to meet with the Board and the Chief. We gave them a tour of the station and equipment. We also went over our plan for updating Fire Apparatus and equipment.
- March minutes were read and accepted.
- Ricky Williams stopped in to let us know about his Level One Class.
- Radios should be up and running by the end of May.
- The Chief told the Board that the Select Board wants to discuss the Command SUV. The Board of Fire Engineers feels we already discussed it and should be moving on to sign the lease, as to not cost the Town more money. The SUV has already been ordered with all the equipment.
- Captain Boggis was given permission to put company flags on back of fire trucks and not to exceed 2x4 in size.
- We feel that bringing in one guest speaker a year would be good.
- Discussion on Bingham Lumber installing and hooking up the cistern. We now have a set of plans and the cistern size is going to be 32,040 gallons of water. They will be keeping us up to date.
- Bills were signed.
- Meeting adjourned at 9:15 pm and next meeting will be on May 14, 2018 at 7:00 pm.

Respectfully submitted,

Charles E. Corey Sr.
