**Brookline Transfer Station Rules for Campaigning/Sales**

- Setup is **ONLY** to be in the gravel shoulder area along the exit of the transfer station, circled and pointed to below. There is no overflow area, this is it!
- Any tent/table/other setup items must be kept out of the travelled way.
- You are not to approach residents or move throughout the facility. Residents must approach you at your setup area.
- General transfer station traffic/use must not be inhibited in any way.
- Failure to adhere to these guidelines will result in you being asked to leave.
